

Early Economy

UNITED STATES EXPORTS (MILLIONS OF DOLLARS) 1794-1820

2. Using the graphs above and your knowledge of United States history, answer (a), (b), and (c).
- Select any ONE period of increase in American exports, indicated by arrow 1 or 3 or 5, and briefly explain the national condition which caused the drastic upsurge.
 - Select any ONE period of decrease in American exports, indicated by arrow 2 or 4 or 6, and briefly explain the national condition which caused the severe decline.
 - Briefly describe ONE important outcome generated by the substantial economic change you selected in either (a) or (b) above.

Write your response to SHORT-ANSWER QUESTION 2 on this page within the box. Use BLUE or BLACK pen only.
