

THE ROARING TWENTIES

HER CHOICE

Miss and Mrs. Motorist know that the Fisk Heavy Duty Tire improves the appearance and performance of the car . . . Mr. Motorist knows that and more. He knows that special construction features build super service into this super tire. The real kick he gets out of this big, good looking, full oversize balloon—with the extra plies and the "Rugged Tread"—is

the number of miles it gives him for every dollar he gives for it . . . Built of "Fillerless Cord", the Fisk Heavy Duty is especially designed for riding comfort, steering ease, skid resistance and extreme mileage...There is a Fisk Tire of every size, every type, priced for every buyer's preference.
